Conflict Minerals Compliance

Conbraco Industries Inc. / Apollo Valves has conducted due diligence with regard to the requirements of the Dodd-Frank Act with respect to "Conflict Minerals".

"Conflict Minerals" include tantalum, tin, tungsten and gold. "Countries of Concern" include the Democratic Republic of Congo (DRC) or adjoining countries, presently Angola, Burundi, Central African Republic, The Republic of Congo, Rwanda, South Sudan, Tanzania, Uganda or Zambia.

Information regarding "Conflict Minerals":

1. Conbraco produces some products which contain tantalum, tin, tungsten and/or gold.
2. We have performed due diligence with our supply chain to determine if they use "Conflict Minerals" from "Countries of Concern". None of the suppliers, including smelters, use "Conflict Minerals" from "Countries of Concern". The majority of the material we purchase is made from recycled material.

None of the parts or products we produce contains "Conflict Minerals" from the "Countries of Concern".
