

Price Increase effective January 23rd, 2023

December 21st, 2022

Dear valued Aalberts integrated piping systems customer,

As a result of continued increases in shipping, labor and material costs, Aalberts integrated piping systems, home of "Apollo" Valves, will be implementing a price increase on select product categories effective January 23rd, 2023.

The general increases are as follows:

4%	bronze and brass ball valves
4%	Apollo Press valves
4%	Apollo PowerPress valves
4%	resilient seated butterfly valves
4%	plumbing & heating products
4%	safety relief valves
4%	gate, globe, and check valves
4%	carbon steel industrial ball valves (including top entry)
4%	needle valves
4%	high performance butterfly valves
4%	actuation
4%	components & repair kits

New list prices can be calculated by dividing current list pricing by 0.96. Actual increase percentages may vary by product. Please refer to the applicable "product price lists" to ensure you have the most current and accurate pricing information. Our newest "price lists" will be available for download from our website, www.aalberts-ips.us by January 13th, 2023.

All orders received prior to the increase must be scheduled for immediate release and not exceed one-month's typical historical usage. Orders placed with delivery requested for future dates beyond January 23rd, 2023, will be subject to pricing at time of shipment.

Kind regards,

Don Russell
Senior Vice President
Aalberts Integrated Piping Systems
